- Future Activities

## PARTNERS MEETING

The 2nd project meeting was held in France, Aix-en-Provence on 29th of September 2022. The main topic of this meeting was to agree on development of Train-the-Trainer Programme to be piloted in 2023 through two Teacher Training Activities. Partners also discussed the CIRCULO e-learning platform that will be used as a open on-line course with Train-the-Trainer programmes about circularity and entrepreneurship.

## TEACHING TRAINING ACTIVITY IN AIX-EN-PROVENCE

CIRCULO Teaching Training Activity (TTA) was held from 31st January till 2nd of February 2023 in Aix-en-Provence, France. The purpose of this 3-day training event was to pilot the first part of Train-the-trainer programme developed by CIRUCLO partners. It consisted of face-to-face instructions, workshops and debates about circular economy and entrepreneurship. The first transnational training event on building the knowledge of VET tutors about new economic development framework that the European Green Deal sets out and the opportunities it provides for development of the circular economy and possible entrepreneurial ventures.

## What next?

Following the Teaching Training Activity held in Aix-en-Provence, the CIRCULO team will organise the second event in Zagreb, Croatia from 23<sup>rd</sup> – 25<sup>th</sup> of May 2023. This Teaching Training Activity will focus more on building the pedagogic and digital skills of VET professionals to enable them to provide a quality VET service through accessible and interactive online environments while building their self-confidence to work in remote learning environments.
